UNHEARD NOTES

MUSIC FOR PEACE, LOVE & HARMONY
4TH ANNUAL INTERNATIONAL PIANO COMPETITION
FOR PEOPLE WITH DISABILITIES

UNHEARD NOTES PIANO PARA 2018 is an international piano music competition showcase and concert for 33 pianists with disabilities from 13 countries who have overcome great challenges. Our international piano competition includes artists from Egypt, Germany, Great Britain, Indonesia, Italy, Japan, Mexico, Nepal, Poland, Romania, Singapore, South Korea, Taipei, Turkey, Ukraine, and the United States of America.

Our purpose is not to have the pianists compete for superiority but to encourage, appreciate, and praise talented persons with special skills through music; and to bring awareness of their achievements to the general public. Through this kind of international exchange, we also believe that we can contribute to world peace.
