The set piece is “Furusato (My hometown)” which is a Japanese folk song, and participants must play their own arrangements in 4 minutes. If the arrangements are not made by the participants themselves, the arrangement must be made only for the particular participants.

This melody of "Furusato" (hometown) is a folk song that Japanese love most. And, to encourage the victim of the Tohoku earthquake, it is often sung. Moreover, it is possible to hear it easily on the Internet.
